The diagram is an organizational chart for a logistics command structure. At the top is the 'Commander' box. A vertical line descends from the Commander, with three horizontal branches connecting to 'Deputy', 'Journal of Logistics', and 'Analysis' on the left side. Below the Commander's main vertical line, there is another horizontal line that branches into three vertical lines, each connecting to 'Contracting', 'Supply', and 'Log Plans' respectively. From 'Contracting', a vertical line leads down to 'Maintenance'. From 'Log Plans', a vertical line leads down to 'Transportation'. All boxes are dark blue with yellow text and white borders.
